"Desperate Ambrose" a three act comedy, was presented by the Junior Class of Chester Center School on May 5, 1961. It was given under the direction of Mrs. Kathryn Foy.

Music, harmony, rhythm, and organization were the key notes for our Band this year as they brightened the scene with fine selections and performances at the home Basketball games.

The Booster Club has done very well this year backing the team and cheering them on to victory. Both, first and second team players wish to thank all members of the cheer block.

This is the Sunshine Society that promotes "sunshine" throughout the community with their programs and good deeds.

We believe in the great trinity of Club Work -- the home, the school and achievement.

This is the Student Council, which is in charge of the activities and school entertainment.

These are the students who take charge of the library books and cards for the years 1961-62.

Much of our outgoing letters and correspondence is handled by these hard working senior girls.

This is the Girls' Athletic Association. These girl athletes compete in basketball and volleyball with other schools in the area.

These are the pin spillers of the school. This is the first year for this club and it seems to be very popular.

These are the crop farmers of the future. These boys participated in the State Judging Contest at Indianapolis last fall.

Future Farmers of America work to achieve different problems of better farming. The club members sell rat bait, wrenches, garden seed etc., to acquire money to go to the International Livestock show at Chicago.

These are the cooks and helpers that strive to present us with a good meal every day.

Here stands two of the 1960-61 varsity cheerleaders accepting the county tourney sportmanship trophy.

These are the boys who operate the film projector and take care of the film activities for the school on their spare time.

Camera Hands

Bus Drivers

These gentlemen, Verlice, Raymond, Dean, Lester, Harold, Bill, and Taylor, haul us back and forth to school each day.

Much of our cleaning, sweeping and repairs are handled by Claire Walker, janitor.

Janitor

The annual staff knows it would have been impossible to have completed this book if it hadn't been for the following advertisers who have supported it.
